

Jackson Township Advisory Board Meeting

July 11, 2019

Meeting called to order 1900 hrs.

Members present Tom Carter
 Jason Allen
 Mark Sighting
 Bill Witt-Township Trustee

Discussion on severe weather sirens. The Morgan County Government would like to assume ownership of those sirens that are owned by Jackson Township.

The Morgan County Government has expressed interest in purchasing the property owned by the township on SR252, to be used by the Morgan County EMS. Much discussion on the subject. It was tabled, so that more information can be gathered.

The Morgantown Fire Department presented information on the gear washer that has been discussed before. A motion was made by Mark Sighting to purchase a extractor/washer from Groves Ready Rack for \$4,500 for the Morgantown Fire Department. A second was made by Jason Allen, voted on and passed 3-0.

Discussion on the fact that the State of Indiana is requiring a rental contract between the trustee if their home is or part of is used for the township office.

Motion made to adjourn meeting by Jason Allen , second Mark Sighting, voted on and passed 3-0

Adjourned 1945 hrs.
