Meeting Minutes for Nov 4th 2025

Morgantown Fire Department

269 N Highland St

Morgantown, IN 46160

Meeting called to order 1900 hours 11-4-2025 by Tom Carter.

Explanation by trustee for the reasoning provided by Local Department of Government Finance to Adopt 2026 Budget and how it has been affected by 11-3-2025 deadline. The discussion of how the public notice of the meeting had to happen according to state law. Expressed the delay was due to lack of access to previous trustee computer, no access to gateway, no contact at DLGF. This hindered timely notice of meeting and therefore missed the deadline for the adoption of 2026 proposed budget. DLGF law states that Jackson Township will revert to 2025 budget.

Discussion and further explained by Township board members. Made motion to adopt by Tom Carter. Votes in the affirmative by Mark Sichting and Dan Eberle. Motion passes 2-0
