

by the Indiana Township Association that provided new information and the urgency.

He stated he would like permission to discuss this with Washington and Green Township Trustee's before the State sets the guidelines for township mergers.

Fire Chief Chapman stated that the Fire Department has met with the ISO rep and had a very productive meeting with him. He stated they like to see 3 to 5 years of records. The Township ISO rating should still drop to a lower number than 10.

Trustee Davidson stated that the Fire Territory board has discussed the possibility of replacing the brush truck that the fire department now uses. Advised it is getting older, although it does not have a lot of miles on it. No action need at this time.
